

N280-01F

900019-P

Adaptor. Chrome Brass. Lateral cable hole
1"14TPI female to 1"14TPI female.

This adaptor is made from high quality chrome plated brass and has two internal 1" – 14 TPI threads. The adaptor can be used for installations where the cable has to be accessed from the side or to convert an external thread to an internal thread. This mount is manufactured in premium quality materials in order to prevent galvanic corrosion. The mount is always subject for improvement. The mount has the same rugged design as all other AC Antennas products thus it withstands harsh environmental conditions, both on Sea and Land.
