

Experience excellent sound and
voice quality with BTD 800 USB ML

BTD 800 USB ML

BTD 800 USB ML

The BTD 800 USB ML is a PC dongle designed to work seamlessly with the Sennheiser PRESENCE™ UC ML Bluetooth® headset and Sennheiser MB Pro UC ML Bluetooth® headsets.

Optimized for Microsoft Lync

Together with the BTD 800 USB ML, Sennheiser PRESENCE™ UC ML and MB Pro UC ML headsets provide you with a high-end solution that lets you maximize the potential of your Unified Communications.

Plug and play

Without requiring any technical installation, the BTD 800 USB ML provides your computer with a Bluetooth® connection to the headset. This ensures you an excellent voice and sound experience.

Increased range

Now you can get the freedom to move up to 25 meters from your PC with dongle – depending on your device and environment.

Features and benefits:

- **Optimized for Microsoft Lync** – simply plug in to your PC
- **Sennheiser voice clarity** – wideband sound for a natural listening experience
- **High quality audio mode** for enhanced listening to music
- **Small size dongle** – easy to carry in your pocket – and stays discretely plugged in to the PC
- **Peace of mind** – thanks to the 2 year international warranty
